Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Qualitative Research in Practice offers a hands-on introduction to qualitative research design, methods, data, and analysis. Designed as a companion text for any course involving qualitative research, this book explores the different types of qualitative studies with relevant examples and analysis by the researchers themselves.

Qualitative Research in Practice | Dodax.com

This handbook is a much-needed and in-depth review of the distinctive set of ethical considerations which accompanies qualitative research. This is particularly crucial given the emergent, dynamic and interactional nature of most qualitative research, which too often allows little time for reflection on the important ethical responsibilities and obligations Contributions from leading ...
