The American Boy's Handy Book - Wikipedia

The American Boy's Handy Book by Daniel Beard, 1882. This is a Victorian activity book for boys, focusing particularly on outdoor seasonal activities. It was not the first book of its kind during the Victorian era, but the author explains in the preface that he wanted to create a book of sports, games, and activities that would be better than the ones that he knew from his own youth, with instructions that were well-written, complete, and easy to follow, particularly written for American ...
