I started teaching the BCBA course sequence at National University and Kaplan University 8 years ago. At that time there was no material to study from so I started making my students mock exams and quizzes. When I had the time I began creating study guides to help people pass the exam! What are your study guides cheaper than other sites?

Since 1998 we've helped behavior analysts become Board certified. We've achieved this by applying the scientific principles and methods of applied behavior analysis to the development of instructional content and software. More specifically, we use goals and specific measurable objectives to teach the discriminations necessary to ensure that those objectives are learned.
