Buy Recycled. Recycling. It's a simple word. But we think it represents so much more. To recycle is to actually think about where your trash goes. Recycling represents American jobs, pollution prevention, increased domestic manufacturing, more landfill space right here in our backyards, and sustainability for the environment and future ...

Buy Recycled - Eco-Products

Reduce, Reuse, Recycle, Rot (compost), and ReBuy (buy recycled). Postconsumer recycled material is derived from products that were purchased, used, and then recycled by a consumer. This recovered material (e.g. paper or plastic water bottles) becomes feedstock for new products. Buying postconsumer recycled-content products (RCP) reduces pollution, saves landfill space, creates California jobs, and supports small businesses.
