“Peace is the result of retraining your mind to process life as it is, rather than as you think it should be.” Wayne Dyer. The daily life can be busy, hectic and at times overwhelming. It may sometimes feel like bringing just a little more inner peace and calmness into your life is a hopeless wish. But it doesn't have to be

Finding Peace in Your Life . By Sister Renee Pittelli . If you had asked me what ingredient I thought was essential for living a happy, fulfilled, good life, I would have given you different answers at different stages in my life. There was a time I believed the key to living a good life was financial security- not having to worry about money.
