Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

I can get the Polycom Soundpoint 430 to register on my Elastix server. But when I try to dial an extension in the office I get "the circuit is busy now...." message from the phone. I tried registering a different device (softphone) to the extension, it works perfectly. I understand the message is coming from my server.
