The Art of Pricing December 18, 2014 After spending months sourcing parts or ingredients for a new product and setting up a unique supply chain to handle the company's newest market introduction, how much time does your company devote to setting the price? In other words, is pricing an art or an afterthought?

The Art of Pricing

The Art of Pricing Words by Lauren Rose Pricing communicates the value and quality of your work - it really is more than just a number. You can win or lose customers the moment they look at your price tag, so the importance of smart pricing can't be understated.

The Art of Pricing

The art of pricing is about selecting a revenue model and pricing strategy. The science of pricing identifies a price based on one or more pricing drivers. Effective implementation of pricing requires a dedicated pricing team. Pricing is both an art and a science: art qualifies, science quantifies.
