So many wonderful people are saying such nice things about The Boy. Here are some of the nice things that have happened:

The Boy Who Loved Math - Deborah Heiligman

As a boy in Budapest, Paul Erdos (1913–1996) had problems to solve, but they didn't involve math. Rules were a problem, and school was another: "Paul told Mama he didn't want to go to school anymore. Not for 1 more day, for 0 days. He wished he could take days away—negative school days!"

The Boy Who Loved Math: The Improbable Life of Paul Erdos ...

With a simple, lyrical text and richly layered illustrations, this is a beautiful introduction to the world of math and a fascinating look at the unique character traits that made "Uncle Paul" a great man. The Boy Who Loved Math by Deborah Heiligman is a Kirkus Reviews Best Book of 2013 and a New York Times Book Review Notable Children's Book of 2013.

The Boy Who Loved Math... The Improbable Life of Paul Erdos ...

Paul Erdos loved math in that way. He saw numbers and math everywhere. He loved it so much that his mom and caretaker did EVERYTHING else for him! Read this book to see how exciting math was for Paul Erdos, what struggles he had, and how unique his life was because of his love of numbers.

The Boy Who Loved Math - Melissa

Most people think of mathematicians as solitary, working away in isolation. And, it's true, many of them do. But Paul Erdos never followed the usual path. At the age of four, he could ask you when you were born and then calculate the number of seconds you had been alive in his head.

The Boy Who Loved Math | Deborah Heiligman | Macmillan

By Maria Popova. The great Hannah Arendt called mathematics the “science par excellence, wherein the mind appears to play only with itself.”. Few minds have engaged in this glorious self-play more fruitfully than mathematician Paul Erdős (March 26, 1913–September 20, 1996), the protagonist of *The Boy Who Loved Math* (public library) by writer Deborah Heiligman and illustrator LeUyen Pham — a wonderful addition to the most intelligent and imaginative picture-book biographies of great ...
