I loved the audible version of "The Silk Roads." I expected this to be the full text of the book with maps or other serious illustrations. Unfortunately, this book is like a Children's version of "The Silk Road" with greatly summarized text and mostly cartoon illustrations. Well written and accessible, but the description is very misleading.

The Silk Roads: A New History of the World - Illustrated

...

The Silk Roads is part of the genre of popular history books that purports to tell the history of the world through one particular theme or from one particular vantage point, and is better than most of them. Peter Frankopan is a trained historian, and so knows how to synthesise a great deal of information from cultures across Asia and Europe...

Silk Roads Peoples, Cultures, Landscapes (Book) : As world powers realign their cultural outlooks, there is no better time to consider how Eurasia's complex network of ancient trade routes - which spanned high mountain ranges, open river plains and vast deserts across the continent and on to the seas beyond - fostered economic activity and cultural communication.

Silk Roads (Book) | Hennepin County Library | BiblioCommons

'This epic book traces the cycle of human creation and destruction along the Silk Roads, now rich in billions of dollars' worth of oil, minerals and labour. We must learn to pass along them without glancing greedily from side to side to gauge what we can gain.
