## The Story Of Psychology Morton

The lives and accomplishments of these pillars of psychology, expertly assembled by Morton Hunt, are set against the times in which the subjects lived. Hunt skillfully presents dramatic and lucid accounts of the techniques and validity of centuries of psychological research, and of the methods and effectiveness of major forms of psychotherapy.

## The Story of Psychology, Updated & Revised Edition: Hunt ...

Above all, the story of psychology is the narrative of a continuing effort to answer the questions they first asked about the human mind. It is mystifying that the Greek philosophers so suddenly began to theorize about human mental processes in psychological, or at least quasi-psychological, terms.

The Story of Psychology by Morton Hunt is one of the longest, but greatest works I've read. I went into this having little to no prior knowledge on psychology, except for the fact that my sister is majoring in it. However, I have left this being able to give an entire presentation on the history of psychology.

Although a nice overview of the history of psychology, Morton Hunt's Story of Psychology isn't objective or serious enough to be considered a seminal work in the social science. To his credit, however, he does attempt to take an increasingly drab subject matter and bring it into the context of modern humanistic literature.
