Annuities are just an investment product — like many others, and much like Social Security and defined benefit pension plans.

The Truth About Annuities Retirement - InSource

Annuities are insurance policies that convert retirement savings into income. Common in pension plans, annuities to date have not been popular in 401 (k)s. Annuities have downsides: Fees are often high. There's always a risk that the “guaranteed lifetime income” could turn out to be a mirage if the insurance company goes belly-up.
